A winner of Fashion Group International of Dallas' Rising Star in Interior Design award, Shay Geyer, designer and owner of IBB Design Fine Furnishings, is passionate for interiors and interior products creating beautiful and luxury spaces for clients. Mostly known for her balanced use of color, pattern and texture, clients rave about her ability to transform a house into a welcoming happy home. Her design mantra is to create an inviting atmosphere that reflects the personal taste and lifestyle of each client.

According to Shay, "The mark of a really good designer isn't pinpointed to one specific aesthetic, but instead their ability to design for each individual client. It's all about the look and the quality, and how that room is going to function for them." The key to harmony at home is to live amongst what you love. As a result, Shay has assembled an award-winning team of talented designers who are experts in custom-tailoring interiors. IBB Design, four-time winner of "Best Furniture Store in the United States," encompasses 90,000-square-feet of a diverse mix of name-brand home furnishings, luxury home décor, and accessories hand-selected by its interior designers and available for immediate delivery. Together, you get an interior design power house!
